# COMPASS COMPONENTS

## FRANCHISED & FEATURED LINES

### **Adam Tech**

Modjacks, D-Sub, Din, Mni-Din, Sockets, USB, SCSI, IDC, Headers, Terminal Blocks

### **Bishop Electronics**

Film Caps, Custom Film Products, Resistor-Capacitor Networks

### **Bomar Interconnect**

RF, Broadcast and Telephone Connectors, BNC, TNC, SMA

### **Circuit Breaker Inc-CBI**

Circuit Breakers: Hydraulic Magnetic Type, Panel and Din Rail Mounted, Miniature, Molded Case and large frame MCCB's; Contactors, Thermal Overload Relays, and Manual Motor Starters

### **Eaton**

Contactors, Circuit Breakers, Relays, Controls, Light & Safety, Push Buttons, Pilot Devices, PLC's, Automation Controls, Electrical Distribution, UPS Backup Power & Monitoring

### **EDI/Electronic Devices**

Rectifiers, Bridges, Diodes, HV Assemblies

### **Electrocube/ F-Dyne/Seacor**

Film capacitors, RC Networks, Electrolytic Caps, DC Link Caps, Audio Caps, Standard and Custom Products Available

### **Eyecap**

Temperature sensitive color changing terminal caps

### **FCT Electronics**

Connectors: D-sub standard, high density, mixed layout. Hoods: Metal & Plastic, Locking Systems & Accessories. Contacts: Coaxial 50/75 Ohm, High Power, High Voltage. Tools: Crimping, Insertion & Extraction

### **HARTING USA**

Industrial Connectors Han, IP20, IP6, and IP68 Solutions for Power and Communications, Ethernet, Switches, Hubs, RJ Interconnect, Electric Connectors and Accessories, Advanced TCA, Din 41642, VME 64x, I.D.C., D-Subs (Std, High Density, Filterd and Mixed), SCSI Hard Metric 2mm, 2.5mm and Mini Coax

### **Hummel/Sealcon**

Strain Relief Fittings, Circular Connectors for Signal, Power, Fast Ethernet and RJ45. Enclosures in ABS, Polycarbonate, Polyester, Aluminum and Stainless Steel. Standard, SuperFlex Conduit. Adapters, Reducers and Enlargers

### **Major League Electronics**

Board-to-Board Connectors, and Second Source to Samtec

### **Mallory Sonalert**

Electronic Audible Alarms and Accessories, Custom Products also Available

### **Moeller/Eaton**

Contactors, Circuit Breakers, Relays, Controls, Stack,Lights, Push Buttons, Pilot Devices, PLC's

### **Murrelektronik**

IO Devices: IP67, IP20 Distributed and Cabinet IO. Power Management: Switch Mode Power Supplies, Intelligent Circuit Protection.

Interfaces: Ethernet Switches, Programming Ports. Connectivity: Sensor Cables, Power Cables, Ethernet Cables

### **Myntahl Corporation**

Acoustic Components, Piezo Sounders, Magnetic Sounders, Speakers, Sirens/Alarms, Microphones and Receivers

### **Nemco**

Tantalum capacitors-SMT/Leaded

### **OptiFuse**

Over Current Protection Products- Fuses, Limiters, Fuse Blocks, Circuit Breakers, Pullers, Fuse Clips and Fuse holders

### **Pfannenbergl**

Enclosure and Electronic Cooling, Liquid Cooling and Signaling Solutions

### **P-Tec**

LED Indicators and Assemblies, SMD and Thru-Hole LEDs, High Power LEDs, Graphic, Character and TFT LCDs

### **RCD Components**

Resistors, Delay Lines, Capacitors, Inductors

### **Riedon**

Resistor Products- Power, Current Sensing, Temp Sensing, Low Ohm, Hi Power, Custom

### **Sealcon/Hummel**

Strain Relief Fittings, Circular Connectors for Signal, Power, Fast Ethernet and RJ45. Enclosures in ABS, Polycarbonate, Polyester, Aluminum and Stainless Steel. Standard, SuperFlex Conduit. Adapters, Reducers and Enlargers

### **Surge Components**

Capacitors include Aluminum, Ceramic and Electrolytic Discrete Products include Rectifiers, Bridge Rectifiers, Transient Voltage Suppressors, Switching and Zener Diodes, Transistors

### **Wieland Electric**

Din-Rail Mount Terminal Blocks, Remote I-O, Relays, PCB Terminal Block, Safety & Industrial Controls, Power Supplies, Circular Connectors,

### **Zippertubing**

Shrinktubing, Flexible Tubing/Jacketing- Shielded, Braided, Side Entry, EMI/RFI, Custom
